2. the erection
of factories at Moscow, Kiev, and Leningrad was by no means completed by
October 1943. Specialists and technicians, deported in October 1946, are
still engaged in erecting machinery and equipping the factories.

3. Among those deported were:

Fertsch. specialist in ophthalmic equipment.
Dr. Merte. mathematician.
Dr. Schorcht scientist.
Dr. Kortum military specialist.

6. Dr. Karl Steinel is still with the Institute at Fryazino, probably
Institute 160, and not the Shchelkovo Institutel. The German settlement,
where all specialists working at the Institute are housed, is built
around the Institute. Apparently Steinel lives on the ground floor.
